The Camo Christian group (from Orlando, WV) provides an outdoor activity range consisting of four hunting and fishing related stations (i.e., Archery, Air Pistol/Rifle, Slingshot, and Casting Accuracy Range), with each station having its own Bible devotion relative to the activity.

The overall event begins with a group Bible lesson. Then, the participants are split into four groups rotating through the range. Once every group has performed all four activities, the event concludes with a group reflection on the day, encouragement to accept Jesus Christ as their Lord and Savior and a closing prayer.

At the end of the event, each participant will have had a total of five Bible lessons, the experience of the outdoor activities and the opportunity to begin living their lives for Jesus Christ! Praise God !
